President's Letter Margaret von Kuegelgen

Hello Fellow Stitchers,

We are having both a Day and Night Meeting this months but they fall in different weeks. The Day meeting is Thursday April 22nd and the Night Meeting is Wednesday April 28th. The night meeting will be at the River Road library next to the West. I'm looking forward to seeing lots of people at both meetings.

Our combined meeting will be held at the Pima County Medical Society at 5:30pm on Thursday May 27th or as we say “the day meeting place on the day meeting day at the night meeting time!) Lots of goddy baskets so bring some cash.

I will have a wonderful tan by the next meeting as I am off to Florida next week to see some relatives.....

Have fun stitching,
Margaret

Remember, when you have cleaned out and have decided what you do not want or need, please give them to either Charleane or Linda.

HOSPITALITY

April: Barbara Grass will bring treats

PROGRAMS

Submitted by Mary Christoph, Barbara Ewbank & Mary Williams.

April 22, 2010 Day Meeting: Pima County Medical Society. Barbara Ewbank will give a talk about the ANG exhibit categories and how they are judged. Barbara recently completed her ANG Judging Certification and is eager to share her knowledge and encourage us all to enter our work in competitions.

April 28, 2010 Night Meeting: New Location at River Road (Dusenberry) Library at River Road and Craycroft. Raynelle Duhl will present a program on using needlepoint to make a box. This is a clever way to finish your completed projects.

May 27, 2010 Combined Meeting at Pima County Medical Society, 5:30pm. Potluck Dinner with Election of Officers. Bring your completed projects, both ANG and Non-ANG, for Show N' Share.

June 17, 2010 The June program will be "Workshops Revisited". We have all taken a number of workshops over the past several years. Some of these workshops have been taught by Betty Chen Louis, Tony Minieri, Deborah Forney, Caela Conn Tyler, Linda Reinmiller, Susan Goodman and Carol Lake. Bring your unfinished project or projects and spend some time working on them. This will give us an opportunity to have some time set aside for stitching and for working toward finishing a project. If you have finished all your workshop pieces, or haven't taken a workshop, bring a piece on which you are working or one you want to begin to stitch on during the program time. It will be encouraging to see the progress we have made on the pieces we have begun

If you have an idea for future programs, please contact any of the Vice Presidents. Is there a technique you like to see taught at a meeting? Let us know. We love to hear from you and want to present programs that are of interest to all our membership. Do you have a project you would like to share at a meeting? Don't be shy, share your talents with the group!
